

## PRESCRIBER QUICK REFERENCE GUIDE

Any duly licensed provider may write prescriptions for Jai Medical Systems members regardless of participation status. We hope the information detailed in this guide is helpful to you.

### Formulary

Free access to Jai Medical Systems' formulary is available online at: <https://client.formularynavigator.com/Search.aspx?siteCode=9386334079>.

Jai Medical Systems formulary is subject to change. For updates to our formulary, please visit us online at: [Pharmacy Benefits and Updates](#).

### Prior Authorizations

Some formulary drugs and all non-formulary drugs require prior authorization. For drugs that require prior authorization, please fax a completed Jai Medical Systems prior authorization form to **1-866-999-7736**. To avoid delays, please ensure the form is complete and is the most up-to-date form. *Incomplete forms and requests will be returned to the prescriber.*

### Reminders

#### High Cost, Low Volume Drug Policy

Drugs on the Maryland Department of Health **High Cost, Low Volume Drug Risk Mitigation** list require pre-certification. Jai Medical Systems will not conduct any retrospective review for these drugs; they must be pre-certified and approved by our plan beforehand.

#### Medical Benefit

Requests and questions related to drugs administered under the medical benefit should be directed to the Utilization Management Department at 410-433-5600.

### Co-payments

Prescription drugs co-pays include:

- \$1 generic, preferred brand, and HIV/AIDS drugs
- \$3 non-preferred brand drugs

Certain populations including pregnant members and children are excluded from co-pays.
