Subject: Formulary Updates December 2022

Effective 1/1/2023, the following products will be removed from the formulary. They will require prior authorization before they can be filled starting 1/1/2023. Any member who filled these medications in the past two months and did not already have prior authorization will be given an approval through 3/1/2023 so they can speak to their doctor about getting prior authorization:

- Guanfacine Extended Release
- Clonidine Extended Release

Providers can contact ProCare's Prior-Authorization Department at 800-555-8513 for assistance with PA requests or questions regarding clinical guidelines. Our PA Department is available Monday through Friday from 8:30 am-5:30 pm EST. For assistance with PA requests during non-business hours please contact our 24 hour customer service department at 800-213-5640.
